## *March Is Teacher-Appreciation Month in Bronxville!*

February 2016

To the Bronxville Public Schools Faculty and Staff,

On behalf of the Bronxville business community, the **Bronxville Chamber of Commerce** is pleased to announce *March Is Teacher-Appreciation Month in Bronxville!* To show our appreciation for all you do, we've coalesced **nearly 40 special offers** from the Chamber's distinctive business members. We thank the Bronxville PTA for facilitating this communication and encourage you to *Buy Bronxville*.

### Why Buy Bronxville?

The economic implications of your buying decisions hit home: For every \$100 spent in a locally owned independent store, \$68 returns to the home community. The same amount spent at an area chain store returns \$48; if spent on the Internet, \$0 comes back home. A thriving business district positively impacts public schools.

Bronxville businesses support your schools, enhance the village character, and contribute to the economic ripple effect by employing local residents and retaining the services of other local businesses. Bronxville is bar none when it comes to shopping, dining, cultural offerings, and customer service. Plus you get the added convenience of doing your business before or after work or on your lunch break—all within walking distance!
